

without the positive music of K-LOVE each day I don't know what I would do. I believe there are many listeners in my community that benefit from the music that K-Love plays. I can turn on K-Love and not have to worry what my kids are going to hear. I like having a voice in the music that is played on K-Love (if I chose). I believe it would be devastating if K-Love was displaced by an LPFM broadcaster. I don't want any other kind of programming! I want song that sing about my Lord and Savior JESUS CHRIST!! Can you promise that the other broadcasters that will be playing in my community will do just that? Please don't take K-Love or any other Listener supported Christian music station off the air waves.
